

# **CLAYTON ROAD BRIDGE**

## **CONSTRUCTION UPDATE**

The Clayton Rd. Bridge replacement project will begin the week of July 19<sup>th</sup> and will be completed by December 2010. The exact location of this project is 200 feet east of the intersection of Clayton & S. Warson Roads. The four lane bridge will be rebuilt in 2 phases to allow traffic access to the Clayton Road Business District. Traffic in this area will be restricted to one lane open in each direction for the entire project. Please consider alternate routes as traffic delays are expected. If you have any question contact the Ladue Public Works Department at 993-5665
