

PRICE ROAD TEMPORARY TRAFFIC SIGNAL

The City of Ladue's construction project on Price Road is currently underway. Beginning on December 14, 2015, a temporary traffic signal will be installed on Price Road to safely direct traffic through the work zones. The signal will allow for traffic to be reduced to one lane. TRAFFIC DELAYS COULD OCCUR.

First, the temporary traffic signal will be located near Westerly, north of Ladue Road. On approximately December 28, 2015, the temporary traffic signal will be moved to Price Road near Sunningdale Drive, which is south of Ladue Road. The temporary traffic signals will remain in place at that location for three weeks while storm sewers and retaining wall construction occur. The City apologizes in advance for any inconvenience this may cause. Please contact the Public Works Department with any questions: (314) 993-5665
