

Emergency Notification

The City of Ladue has contracted with CodeRED for emergency notification services and will be working with CodeRED for both emergency notifications and weather alerts. [Register Today!](#)

USES

The CodeRED~ system will be used to send critical communications, from evacuation notices to missing child alerts and occasionally for informational messages.

CALLER ID

When you see 866-419-5000 displayed, you will know the call is from us. If you would like to hear the last message delivered to your phone, simply dial the number back.

YOU MAY ALSO SIGN UP FOR:

STAYSAFE The CodeRED Weather Warning™ alerts citizens in the path of severe weather.

ALERT TYPES

Moments after a severe thunderstorm, flash flood or tornado warning has been issued by the National Weather Service, telephone messages will be sent to affected (registered) citizens.

CALLER ID

You'll know the call is from CodeRED Weather Warning when you see 800-566-9780. If you'd like to hear the last message delivered to your phone, simply dial the number back.

PRIVACY

Your contact information remains private. It will only be used for severe weather alerts, and in areas that have CodeRED for community notification, you will also receive messages delivered through that system.

For any questions, contact Police Chief Rich Wooten at 314-993-1214 or Fire Chief John Bailot at 314-993-0181.
