

**- RECENT CRIMINAL ACTIVITY-**

08-22- 14

On Saturday, 8/16/2014 a Burglary occurred on Sheraton Dr. The incident occurred between 6-6:30 am while the resident was out walking his dog. The suspect entered the unlocked door. Taken in the offense was a wallet and a purse both containing cash and credit cards.

At this time, due to the recovery of the wallet and additional evidence we believe the suspect is someone we have arrested previously. During that time he was driving a 2001 tan Chevy Trail Blazer.

On Tuesday 8/19/2014 around 6:30 pm a resident's twelve old daughter on Briarcliff heard a knock on the front door and when she looked out she saw a person she described as an African American Male, 30 to 40 years old, shaved head, light beard, and muscular build.

She quickly called the police, while waiting for us to arrive she saw a blue sedan leaving the driveway.

More as it develops.
