

## NOTICE OF UPCOMING ROADWORK

### 2022 Road Micro-surfacing

Road work will take place in May on the following roads:

- ✚ Clayton Rd. from Lay to Louwen
- ✚ Litzsinger from McKnight to Warson
- ✚ McKnight from Litzsinger to Lindworth
- ✚ McKnight from Clayton to Ladue

During construction lane closures will be established. Work will take place overnight for Litzsinger and McKnight by Tilles Park. Work will take place during the day for Clayton Rd. and McKnight between Clayton and Ladue

Micro-surfacing is a latex modified slurry seal. Pavement markings (striping) will be completed after completion of the micro-surfacing application.
