

Willow Hill Stormwater Infrastructure Project (1614A)

BID NOTICE

The City of Ladue Public Works Department is soliciting bids for construction of approximately **3,039 lineal feet** of pipe sewers, varying in size from **12" to 42"** in diameter and appurtenances that include pipe-in-tunnel, and roadway and landscape restoration to be constructed in the Willow Hill, Lorenzo Lane, and Loren Woods subdivisions in an area located north of Ladue Road and west of I-170, in the City of Ladue, Missouri.

Sealed bids will be received until **10:00 AM Thursday 6 May 2021** in the Public Works Office of Ladue Public Works Building, 9345 Clayton Road, Ladue, MO 63124. Bids will be promptly opened and read aloud. The City reserves the right to reject all bids, waive technicalities, to award on any bid that is most advantageous and to investigate the experience and ability of the bidder to perform the work.

Plans and Specifications may be obtained from **Drexel Technologies, 135 A Weldon Parkway, Maryland Heights, MO 63043/www.drexeltech.com/314-872-0900**. A non-refundable fee will be charged.

Questions about the project will only be entertained by electronic mail. Questions should be directed to Amanda Griffin, PE, Storm Water Engineering Manager at agriffin@cityofladue-mo.gov. Questions will **NOT** be taken after **close of business on Thursday 29 April 2021**.

An **optional** prebid conference will be held by the City of Ladue Public Works Department **outdoors in the roadway adjacent to #45 Willow Hill Road at 10:00 AM Thursday 15 April 2021**. To attend **COVID-19 protocols will need to be followed including the wearing of face masks and social distancing**.

Prevailing wages according to the current Missouri State Department of Labor Relations must be paid, as contained in the bid documents. Bids should be accompanied by a bid surety in the form of a certified check or bid bond for **5%** of the bid total.

Contractors and sub-contractors who sign a contract to work on public works projects must provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be complete by their on-site employees within sixty (60) days of beginning work on the construction project.

The City of Ladue hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, minority Disadvantaged Business Enterprises (DBE) will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

Bids must be submitted on the forms provided in this document and signed by an authorized officer of the company. No partial or incomplete bids will be accepted.

Anne C. Lamitola, P.E.
Director of Public Works
