

# Edie's Mulch Site: Park Planning, Community Meeting!

On May 14th, the City of Ladue held an open house meeting for residents and community partners to preview a concept for the potential development of a passive city park at the Edie's Mulch Site. The City will hold a second community meeting where the park planning consultant, SWT Design, will present an overview of their Master Plan. This meeting will help guide the priorities and preferences of the Ladue community.

**Monday, June 24th, 2019**

**5:00 pm—7:00 pm**

**Ladue City Hall  
9345 Clayton Rd.**

An overview presentation will take place at 5:30 pm, with an open house to follow. Please join us at any time from 5:00 pm to 7:00 pm to learn more about this exciting project!
